***BLACK AUTHOR AND RELATIONSHIP EXPERT KICKS OFF SPEED DATING NATIONAL TOUR AND PANEL THAT ADDRESSES THE "BEING SINGLE EPIDEMIC" \_\_***

Miami, FL (BlackNews.com) -- Love hurts and many of singles are giving up on the magical feeling of finding The One, preferring the safety of singlehood. The "[Golden Love & Relationship Panel](#)" may be a solution to the single life epidemic.

From South Florida to Europe, heartbreaks and cheating in relationships are too familiar. With all the dancing and strip clubs, hot weather, and social events, it makes it difficult for a single man and woman to find a quality companion, even in the churches. The "Golden Love & Relationship Panel" will first be held in Fort Lauderdale on Saturday, December 9th at the Escape Lounge & Restaurant @ 7pm, 1451 NW 31st Ave Lauderhill, FL 33351.

Relationship Lifeguard and author, King Kevin Dorival, produced the event after receiving an overwhelming positive response in the United States and while on tour in London for his new relationship goals/women empowerment book, [7 Types of Queens, Kings Desire](#).

"This golden occasion was created to rejuvenate and build new relationships by attracting hundreds of singles and couples under one roof. We hope to host this event in several states," says Dorival. "Everyone will be dressed in gold and/or red to symbolize love, royalty, and successful relationships."

There will be photographs taken on the red carpet in addition to dancing, speed dating, great food, and networking. Panelists include Tiffani Knowles, professor; Dr. Tasha, family therapist; Mandy Fresh Fredricks, gospel singer; Chris Priestes the Comedian; and Caprio Jackson, Creative Director.

According to a 2017 study conducted by WalletHub, Fort Lauderdale is ranked 86th and Miami is ranked 49th out of 182 of the best cities to find true love. More than 45 percent of the U.S. population is unmarried, according to the latest U.S. Census Bureau data.

There will be photographs taken on the red carpet in addition to dancing, speed dating, great food, and networking. The panel consists of both single and married professionals.

It's an experience that you do not want to miss out on! Tell a friend - bring a friend! Tickets are available on EventBrite and selected store locations: Golden Love & Relationship Panel. Visit the website at [www.KeinDorival.com](http://www.KeinDorival.com)
