

Dear Sponsor,

The Courage To Believe International is a 501(c)3 organization dedicated to curbing the violence within the urban neighborhoods and to increase the love for our communities, and ourselves nationally. We are seeking to host the **Annual Black On Black Crime Solutions Panel** in 5 cities in Florida: Jacksonville, Orlando, Miami, West Palm Beach, and Tallahassee. On May 15, 2015 we produced our 2nd Annual Black On Black Crime Solutions Panel at the African-American Library & Research Center in Fort Lauderdale; as a result our organization was featured in five different newspapers! I am proud to say that last year's event was a huge success!

We plan on bringing that same high energy to the next year's Black On Black Crime Solutions Panel. However, your generous donation will allow us to produce this event more than once a year, and to implement our prevention and intervention life skill programs for "at-risk" youth. The violence within the black community is a national issue, but we will tackle Florida first. Booker T. Washington once said, "Let them once understand that you are unselfishly interested in them, and you can lead them to any extent." Our youth must know that we support and believe in them, but many at-risk youth can't while in juvenile detention or in prison. We aim to continue implementing success mechanisms that will allow the youth to be able to circumvent the mindset of hopelessness by changing their negative mindsets into a positive one.

This event serves two purposes: First and foremost, to show our teens and young adults how to make successful life decisions in order to avoid

joining the school-to-prison pipeline, which is a growing epidemic in this country. Secondly, to build a bridge between the older and younger generation because the disconnect there is a massive communication and broken home issues. There is power and strength in the unity of our homes, places of business, and schools. We aim to continue finding the solutions to the problems that we are faced with everyday, and for many of us the problems are right outside of our windows.

We would like to ask that you consider becoming one of our Corporate Sponsors. As a sponsor, you will be receiving positive media attention from your association with *The Courage to Believe International*. The fundraising goal is for the Florida Black On Black Crime Solutions is \$10,000.

We have included a sponsorship proposal for your review. If you are interested in becoming a sponsor of The Courage to Believe Intl, please don't hesitate to contact us. In addition, I will be following up via phone within a week or two to see if you have any questions that I can answer about the proposal or the organization. Thank you in advance for taking the time out to review our sponsorship proposal package.

Sincerely,
Kevin Dorival, President
